Dear Green Quad parents/carers,

We are very excited to invite you to our Grandparents' Day celebration on **Wednesday 21st May** at **2:30pm-3:00pm** in the **Green Quad playground** (weather permitting).

We would love for the children's grandparents (or other special older relative or family friend) to join us for a joyful afternoon in school. It will be a wonderful chance for the children to share their learning and celebrate people who are special to them.

During the afternoon, the children will be performing a selection of poems and asking thoughtful questions to their guests. We are also inviting grandparents to share some of their own stories or memories with the children - whether it's about school, games they played, or things that were different when they were young. The children are always fascinated to learn about the past!

We will be serving some refreshments, so please let us know if a grandparent or special guest will be able to attend, so we can prepare enough 😊

We are really looking forward to this heartwarming afternoon and hope lots of Grandparents can join us in making it a memorable day for our children!

Warm regards,
Mrs Zannides
