

Autumn Term
Year 1

Big Question...

What makes our
local area
special?

Welcome to Year 1!

Class Teachers:

Mr. Lark- Construct Class
Miss Dionysiou- Create Class

Support Staff:

Dorah & Beki

This term we will be learning:

- Geography: All about our local area.
- Art: Sketching different types of lines and observational drawing.
- PHSE: Private parts & managing big feelings, physical health and wellbeing.
- Black History Month: All about Little Simz & Yinka Ilori.

Reminder that children will now come in wearing their PE kits on our PE Days

PE days-
Tuesday and
Thursday
Book change
day -
Thursday

Writing

In Writing, the children will be developing their confidence through mark making, free writing, poetry and beginning to use punctuation carefully in their sentences.

We will also be sharing a range of wonderful stories, including The Naughty Bus, Lest We Forget, Beegu and Oh No, George! These texts will help inspire our writing and encourage the children to talk about characters, settings and events.

Math

In Maths, we will be focusing on number formation up to 20, place value, addition, subtraction, geometry and measurement.

The children will continue to build their confidence with numbers through practical activities, problem solving and lots of hands-on learning. In our Finance learning, we will explore shopping role-play, making choices about saving and spending, and understanding the difference between wants and needs.

Science

In Science, we will be learning all about seasons and materials. The children will observe seasonal changes, compare common materials and take part in simple tests. They will also have opportunities to observe and discuss how some materials can change.
