

## Stone Age

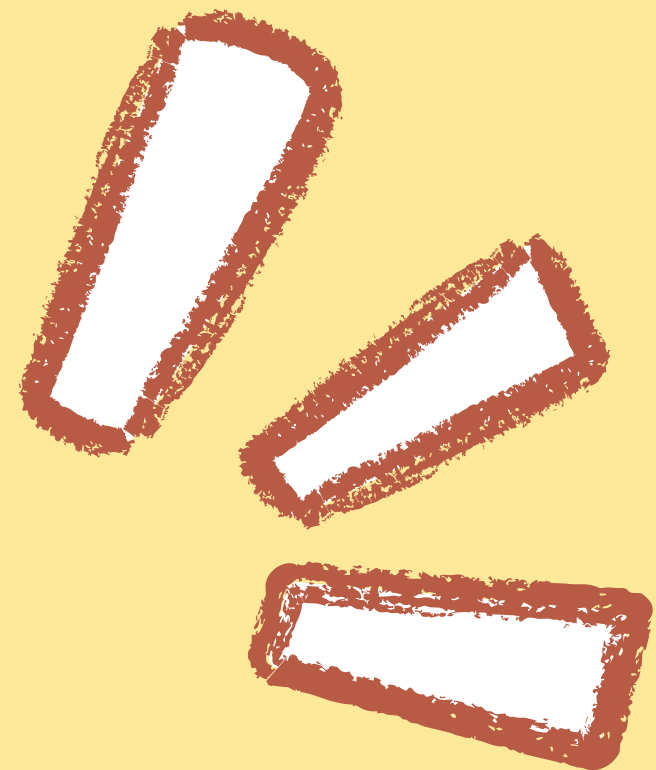

Our Big Question:  
How did humans  
become the ultimate  
survivors?

## This term, we will be learning:

- **History:** Exploring the Stone Age, Bronze Age and Iron Age and discovering how life changed over time.
- **Science:** Investigating different rocks and fossils, then learning about light, reflections and shadows.
- **Art:** Developing sketching and drawing skills through Stone Age-inspired artwork, cave paintings and detailed pencil sketches.
- **D&T:** Learning about healthy foods, farming and cooking inspired by the Stone, Bronze and Iron Ages.
- **PSHE:** Exploring emotions, wellbeing, healthy lifestyles, teamwork and anti-bullying.
- **Black History Month:** Celebrating the achievements, contributions and experiences of Black people throughout history and today. We will be exploring music from Jorja Smith and fashion works from Ozwald Boateng.

## Other Information:

- P.E will be every Wednesday and Thursday with Junior Jam will be every Thursday.
- Stay and Read will be every Tuesday morning.

**Maths:** Building confidence with place value to 1000, addition, subtraction, multiplication, division and fractions. We will also learn about money, saving and spending through our Financial Curriculum.

**Reading:** We will enjoy reading *How to Skin a Bear* and *The Owl Who Was Afraid of the Dark*, developing our comprehension, vocabulary and reading fluency skills.

**Writing:** We will write exciting Stone Age narratives and informative non-chronological reports linked to our history learning. We will also celebrate Black History Month through reading, discussion and descriptive writing inspired by significant individuals.
