Reception Learning - Autumn 2

Communication and Language

Children will develop their speaking and listening skills through stories, discussions and celebrations. They will practise using longer sentences, learn new vocabulary linked to Christmas and Diwali, ask and answer simple questions, and begin to use story language to describe events.

Personal, Social and Emotional Development

Children will develop their understanding of sharing, turn-taking and playing cooperatively. They will explore how people celebrate differently, recognise and talk about their feelings, and begin to understand how their actions affect others.

Physical Development

Children will develop their spatial awareness and coordination through a range of movement activities. They will strengthen their fine motor skills, explore different ways to use tools and equipment, and begin to develop a dominant hand.

Our PE and book change day is Monday!

Reception Learning – Autumn 2

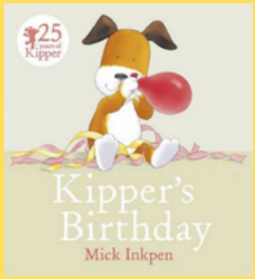

This half term EYFS will put on a fabulous Nativity show to parents and carers!

Literacy

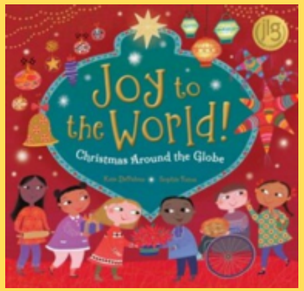

We will be building our learning around the following books:

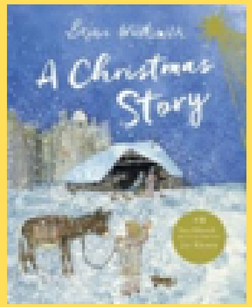

Children will explore a wider range of stories, discuss characters and events linked to Celebrations. They will strengthen their writing skills by forming recognisable letters and using their phonics knowledge to write initial sounds and simple CVC words.

Maths

In Maths, children will learn to recognise and create repeating patterns, count objects accurately and identify numerals to 10. They will develop their understanding of number by finding one more and one less, using practical resources and engaging activities.

Understanding the World

Children will explore how people celebrate differently around the world, including Diwali and Christmas. They will learn about family traditions, join in with songs and actions, and begin to understand how celebrations bring people together.

Expressive Arts and Design

Children will explore colour, shape and materials to create their own artwork. They will join in with songs and actions linked to celebrations and use props and imagination to develop their role-play, including taking part in the Nativity.

Our Phonics Scheme is Little Wandle. Fine more info here: https://www.littlewandle.org.uk/resources/for-parents/
